(SUBTLE ATTACKS against the FAMILY EXPLAINED – www.safe.ph)

HOW COME...

*...a hundred countries are on the road to extinction? ...3,000 Filipinos leave the country daily?
...rich countries desperate for babies suppress births in the Philippines?
...there is widespread destruction of family values in society, schools and mass media?*

WERE YOU DECEIVED INTO THINKING THAT...

*...adolescents are promiscuous, thus they NEED contraceptives
...safe and satisfying sex is part of children's reproductive health and reproductive rights?
...life begins at implantation, not fertilization?
...the pills and IUD's do not kill 7-day old babies inside their mothers' womb?
...condoms will stop spread of AIDS? ... "safe sex" is safe? ... sex ed is primarily about sex?
...New Age is just a harmless fad?
...the natural methods of knowing the wife's fertility are inaccurate for irregular cycles?*
